### Research Round-up

This is a round-up of G2Mi Research's publications in H1 2014. Full details including table of contents for every premium report and some free transactions data is available on G2Mi.com. Subscribers have full access to all the reports and transactions data.

#### Premium Reports

G2Mi Research published 200 premium reports in the first half of 2014; these reports include in-depth data and analysis on individual industry sectors.

Key areas of research included analysis of advertising spend, book and education publishing in Europe, online gambling, telecom and Pay TV services and updates on all the key segments of the Indian media and entertainment sectors. Traditional media sectors in smaller European countries (Austria, Belgium, Netherlands, Portugal and Poland) were also analysed.

Coverage of the European visitor attractions and amusement parks industry was initiated, with individual profiles of 14 European countries.

All the reports are listed below by title, country and sector/industry.

#### Transactions Data

Over 4,500 deals in the global TMT sector were analysed in H1 2014. An analysis of these is available on the G2Mi website (free to download).

#### Company Profiles

In H1 2014, 270 TMT companies were either added or updated (3,200 profiles in total). Key sectors where new companies were added include online gambling, European publishing and visitor attractions/amusement parks.
